Drug Deaths Task Force

Overview

The Drugs Deaths Taskforce was established in July 2019 by the Minister for Public Health and Sport, supported by the Cabinet Secretary for Justice, to tackle the rising number of drug deaths in Scotland.

DRUG DEATHS TASKFORCE

- Targeted Distribution of Naloxone
- Immediate Response Pathway for Near Fatal Overdose
- Optimising the use of Medication Assisted Treatment
- Targeting the People Most at Risk
- Optimising Public Health Surveillance
- Supporting Those in the Justice System
