

This activity & data quality report is designed to accompany the quarterly IMS monitoring report. The information in this report is shown for each service and as a total for the local authority area. The sections of this report show both the consistency in the number of clients and volume of activity that is entered into IMS each quarter, and the number and data quality of assessments that are completed for the clients that are seen.

If you have any questions about your data, need help or more information please do contact us <https://ims.ljmu.ac.uk/contact>
